

21st joint workshop on electron cyclotron emission (ECE) and electron cyclotron resonance heating (ECRH)

Monday, 20 June 2022

Technology - B72 - Amphitheatre (14:00 - 15:50)

-Conveners: Timothy Goodman

time	[id] title	presenter
14:00	[127] Overview of the Wisconsin HTS Axisymmetric Mirror and the role of ECH	FOREST, Cary
14:30	[109] Design activities of the ECRH system for CFETR	Dr WANG, Xiaojie
14:50	[111] MAST Upgrade Microwave Heating and Current Drive System - Engineering Design Overview	WEBSTER, Helen
15:10	[73] Advancing ECH Technology using Multiphysics Modelling	Mr ZELLER, Kurt
15:30	[135] Design of the EC system for DTT	GARAVAGLIA, Saul
