

CHATS on Applied Superconductivity 2021

Wednesday 22 September 2021

Electromagnetics D3 (14:40-15:30)

time	[id] title	presenter
14:40	[8] Analysis of current distribution and AC losses in a RW2 prototype cable for the European DEMO TF coils	
15:05	[13] Analytical modeling of coupling losses in CICCs, extensive study of the COLISEUM model
