

# **Microwave Calibration Workshop**

Thursday, 30 November 2023 - Friday, 1 December 2023

ITER

## **Book of Abstracts**

# Contents

GENERAL INTRODUCTION . . . . .	1
Welcome Message . . . . .	1
Welcome Message . . . . .	1
Introduction . . . . .	1
Calibration of the ITER CTS Diagnostic . . . . .	1
Ways Forward for Calibration of CTS Diagnostics Systems . . . . .	1
Absolute Calibration of JET's ECE Diagnostic System . . . . .	1
Towards end-to-end absolute calibration of the Martin-Puplett Interferometer at W7-X . . . . .	1
Description of ECE Diagnostic and Availability for Calibration . . . . .	2
Calibration of the ITER ECE Radiometers . . . . .	2
Calibration of the ITER ECE Fourier Transform Spectrometer . . . . .	2
Calibration experience of JET's Swept Reflectometry . . . . .	2
Preliminary calibration plans for ITER HFS Reflectometer . . . . .	2
Frequency calibration method in the KSTAR FMCW reflectometer . . . . .	2
Overview of LFS Reflectometer Calibration Strategy . . . . .	2
Ways Forward for Calibration of ECE Diagnostics Systems . . . . .	3
Ways Forward for Calibration of Reflectometer Diagnostics Systems . . . . .	3
Future Calibration Workshops . . . . .	3
Round Table . . . . .	3
Round Table . . . . .	3

## **GENERAL INTRODUCTION**

**8**

### **Welcome Message**

**9**

### **Welcome Message**

**10**

### **Introduction**

**Corresponding Author:** stefan.schmuck@iter.org

**11**

### **Calibration of the ITER CTS Diagnostic**

**12**

### **Ways Forward for Calibration of CTS Diagnostics Systems**

**13**

### **Absolute Calibration of JET's ECE Diagnostic System**

**Corresponding Author:** stefan.schmuck@iter.org

**14**

**Towards end-to-end absolute calibration of the Martin-Puplett Interferometer at W7-X**

15

**Description of ECE Diagnostic and Availability for Calibration**

16

**Calibration of the ITER ECE Radiometers**

17

**Calibration of the ITER ECE Fourier Transform Spectrometer**

18

**Calibration experience of JET's Swept Reflectometry**

19

**Preliminary calibration plans for ITER HFS Reflectometer**

20

**Frequency calibration method in the KSTAR FMCW reflectometer**

21

**Overview of LFS Reflectometer Calibration Strategy**

22

## **Ways Forward for Calibration of ECE Diagnostics Systems**

23

## **Ways Forward for Calibration of Reflectometer Diagnostics Systems**

24

## **Future Calibration Workshops**

25

## **Round Table**

26

## **Round Table**
